

## The Argument-Based Socratic Seminar Question Set Contributor

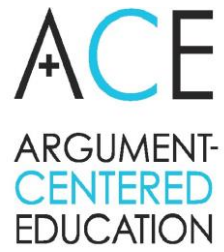

The question set to be in use in the Socratic Seminar will be assembled by the teacher/moderator, but each teach can submit up to three general questions, that any team can try to answer, and up to three questions directed against another team.

### General Questions

**Sample Question:** On what basis should the differences in position in this seminar be resolved? What should the criteria be by which we determine whose position is better or truer?

### Question 1

### Question 2

**Question 3**

**General Questions**

**Sample Question:** What's the single best piece of evidence supporting your overall position and why is it strong?

**Question 1**

**Question 2**

**Question 3**
