

## Athens vs. Sparta Argument-Based Project Venn Diagrams

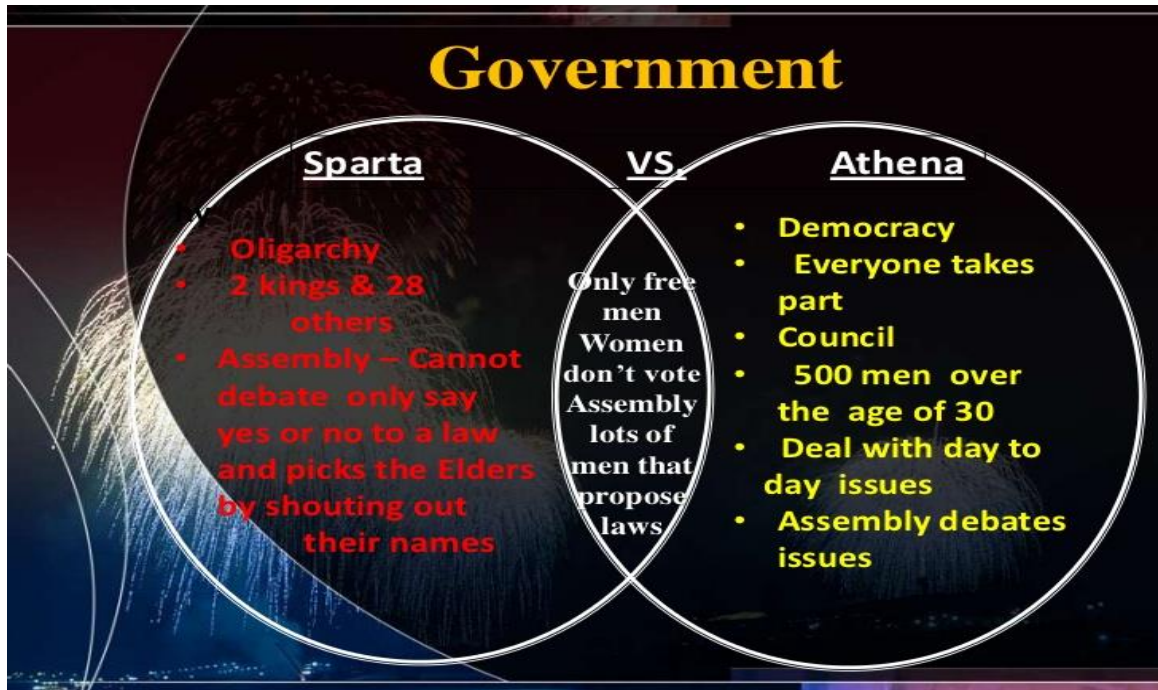

The debatable issue for this project is:

**Which city-state, Athens or Sparta, presents us with the better model for organizing a society?**

### Directions

With your partner, review the Venn Diagram. Identify what you think is the most important information in the diagram for each side of the debate. Ask any questions you have about the diagram. Then answer the argument-based questions.

Government

What argumentative claim can you formulate for your side of the debatable issue from the information on this Venn Diagram?

---

---

---

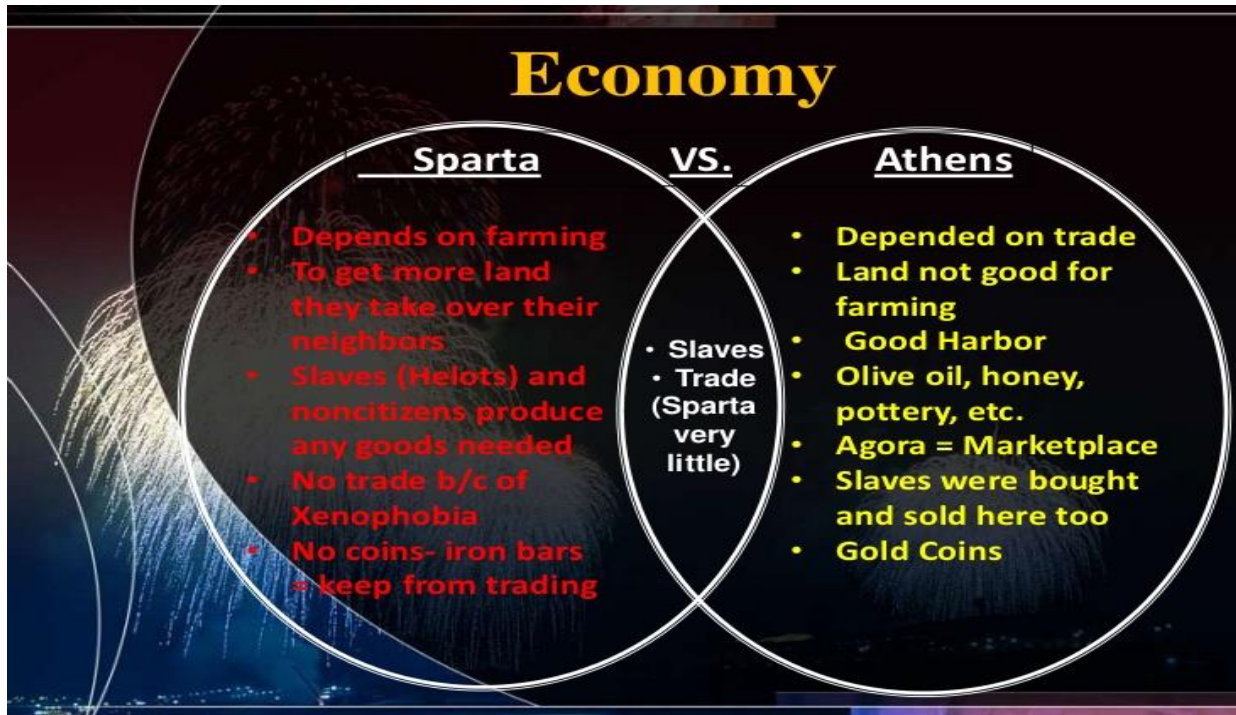

Identify two specific details from the diagram that can be used as evidence to support this claim.

---

---

---

Economy

What argumentative claim can you formulate for your side of the debatable issue from the information on this Venn Diagram?

---

---

---

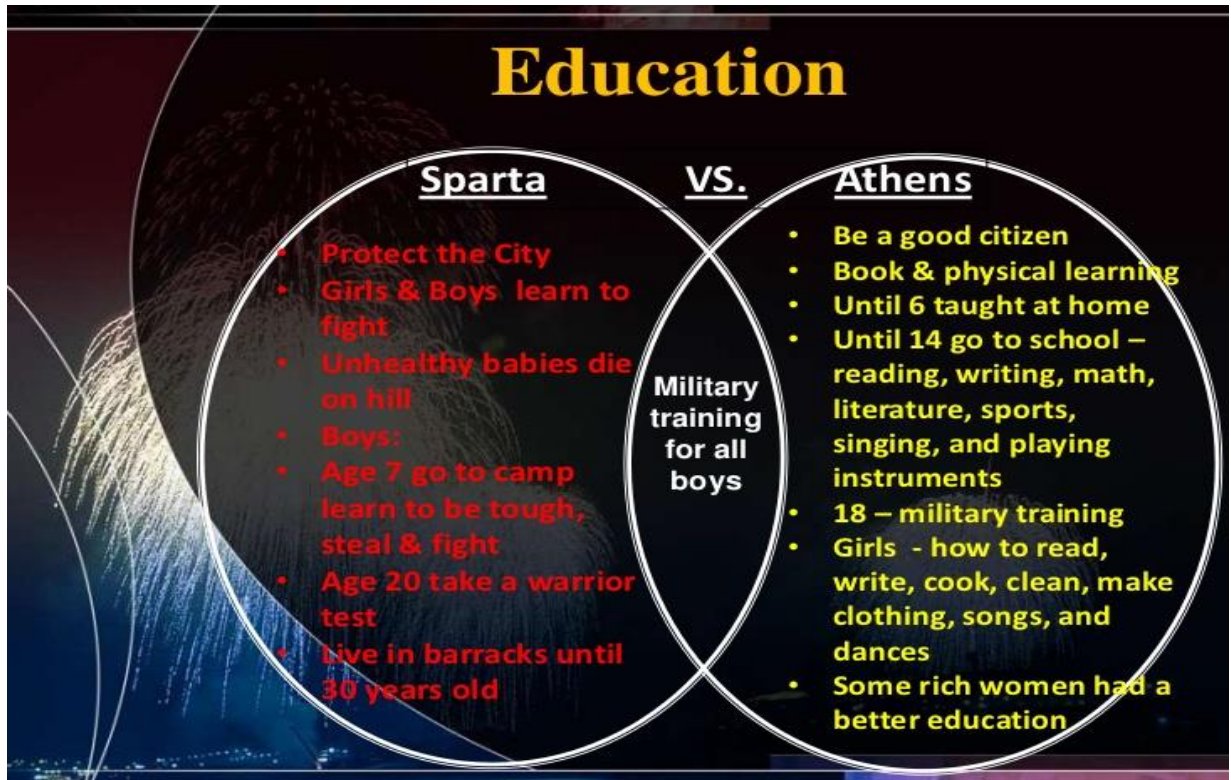

Identify two specific details from the diagram that can be used as evidence to support this claim.

---

---

---

Education

What argumentative claim can you formulate for your side of the debatable issue from the information on this Venn Diagram?

---

---

---

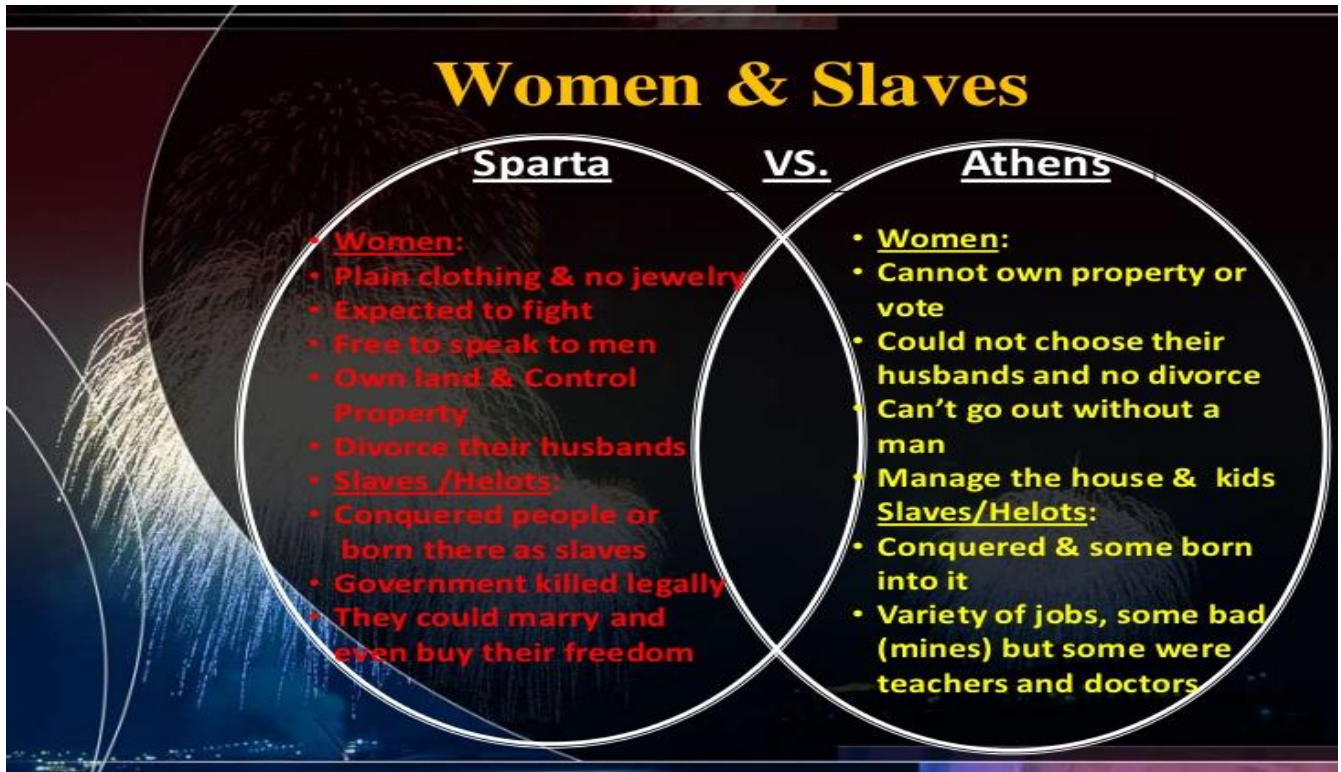

Identify two specific details from the diagram that can be used as evidence to support this claim.

---

---

---

Women & Slaves

What argumentative claim can you formulate for your side of the debatable issue from the information on this Venn Diagram?

---

---

---

Identify two specific details from the diagram that can be used as evidence to support this claim.

---

---

---

**The Other Side's Arguments**

What is the best argumentative claim that you think the other side of the Athens vs. Sparta debate can formulate to support their position?

---

---

---

Identify two specific details from the diagram that can be used as evidence to support this claim.

---

---

---

Create two counter-arguments to oppose this argument.
